Menu items are prepared vegan w/ fresh quality ingredients sourced from Italy as well as local suppliers & are prepared by hand. All items are prepared vegan, but are also in kitchen w/ non-vegan products. We make every effort to ensure that there is no cross-contamination w/ meat or dairy. We take best precautions to not cross gluten free w/ gluten items, but please be aware if you are celiac that our kitchens also use gluten for many products. Kitchen also contains nuts, eggs, shellfish, honey. Olives may contain pips.

## STONEBAKED PIZZA

|                                                                                                                                              |    |
|----------------------------------------------------------------------------------------------------------------------------------------------|----|
| Queen Margherita                                                                                                                             | 28 |
| <i>Vegan mozzarella, basil</i>                                                                                                               |    |
| Giardino                                                                                                                                     | 35 |
